

# PENCE

VERSUS

# HARRIS

## THE VPS' STANCES ON THE ISSUES

### Harris

#### Healthcare

Harris supported Bernie Sander's Medicare for all, but later backtracked

#### Police and Race

Harris wants to end chokeholds, cartiod holds, and no-knock warrants. She wants to see us "reimagining how we do public saftey in America". Harris does not want to defund the police.

#### Climate Change

Harris now supports the Biden plan, which aims for net-zero carbon emissions by 2050, invests \$2 trillion in clean energy and plans to rejoin the Paris CLimate Agreement .

#### COVID-19.

Harris has continously condemmed President Trump's COVID-19 response, and according to abc news, she says that she will make mask wearing a national "standard"

### Pence

#### Healthcare

Pence has supported Trump in trying to get rid of the Affordable Care Act (Obamacare), and replace it. Since taking office, they have not offered an alternative plan.

#### Police and Race

According to abc news, Pence says that the Trump administration will "always stand with law enforcement", and that to suggest their is implicit bias or systematic racism against minorities is an "insult" to law enforcement.

#### Climate Change.

Pence and the Trump administration have consistently denied the science of climate change and have dismantled more than 100 environmental regulations

#### COVID-19.

Mike Pence is head of the COVID task force, and US has the highest death toll in the world. While Pence urges Americans to wear masks, he also completely backs President Trump's COVID response
